

2x adapter with X200

Insight MTM with 3x adapter

2-4x adapter

# 2x, 3x, 4x and 2-4x Afocal FLIR Adapters

## The ONLY 2x, 3x, 4x and 2-4x Afocal Adapter in the World!

2x, 3x, 4x and 2-4x adapters are specifically designed for hand held IR cameras. Using interchangeable connectors the adapters can connect to L-3 45xx / X200 / X100 cameras or any 36xx / 26xx cores. Focal length of the system simply increases by a factor of 2 or 4. No electrical or mechanical modifications to the core system. Shock and vibration tested.

## Double, Triple or Quadruple the Performance of Your System!
